

**SILANCE**

**Covering**

**1. Technical Conditions**

**Issued by:** Graboplast Floor Covering Manufacturers Ltd.  
H-9023 Győr Fehérvári út 16/b.  
**Subject:** Technical data determining the quality of coverings in rolls.

**2. Application**

Covering for object applications.

**3. Technical Data of the Product**

Parameter	Unit	Specification	Tolerance	Test method
Thickness	mm	1,4	± 0,1	ISO 2286
Linear change in dimension	%	± 0,3	max.	MSZ EN 434
Laundering stability	grade	extra washable ≈	min.	EN 12956
Flame propagation	mm/perc	selfextinguish	min.	ISO 3795

**4. Informative Data**

Parameter	Unit	Specification	Tolerance	Test method
Colour fastness grade to light	grade	5	min.	ISO 105 B02
Chemical resistance - 50% ethyl alcohol contact time 120 min	visual evaluation	no change	-	MSZ EN 423
Chemical resistance - 5% fatty alcohol sulphonate, contact time 120 min	visual evaluation	no change	-	MSZ EN 423
Chemical resistance - 5% acetic acid contact time 120 min	visual evaluation	no change	-	MSZ EN 423
Chemical resistance - petrol contact time 120 min	visual evaluation	no change	-	MSZ EN 423
Weight	g/m <sup>2</sup>	500	± 10 %	ISO 2286
Width of rolls	cm	140	± 1,5 %	ISO 2286
Installation	-	see the relevant installation guideline	-	www.graboplast.hu

**Date of effectiveness:**

2008.05.19.

**Put into force by:**

Reményi István Leader of Quality Management
